

digikast

CAPTIVE MEDIA SOLUTIONS

We are a digital signage company specializing in indoor digital advertising. All of our advertising solutions target "captive audiences," where your company's advertising will be focused on the best demographic for your business. With multiple networks throughout Southwest Louisiana and Southeast Texas, our state-of-the-art digital displays are sure to capture the attention of potential customers in fitness centers, hotel lobbies, medical facilities, and the Lake Charles Regional Airport.

HEALTHKAST

HEALTH FACILITY ADVERTISING

The HEALTHKAST network features high definition screens in the common areas of Southwest Louisiana medical offices, physical rehabilitation centers, and hospitals. With the patient's experience beginning in the waiting room, our digital advertising solutions bring the message your business wants to provide to these captive audiences with a frequency that is unmatched. Augmented with news and weather, the attention that the HEALTHKAST screens receive is unparalleled and can provide a big impact on your potential clientele. Capture the attention of your desired demographic with an ad on HEALTHKAST.
